Dear Sir Mirza Ismail,

I have not written to you since a very long time. I hope you have not forgotten me after the short interview that I had with you at Mysore. I wrote you a letter from Calcutta after the new year but I am sorry I did not get any reply. I am now going to approach you about a delicate matter concerning me.

My brother is very anxious to give me a good training in administration & he is no longer very anxious about sending me for the Indian Civil

procedure. But I request him to wait till I hear from you. I want to know from you if your Government will have any objection to my undergoing this Administration training in your State. If my training can not be possible in your State then I must go to England & join this Bar as I want wish to be trained in any this State as they are not so advanced as your ~~State~~. Please let me know your opinion on this matter at your earliest convenience.

All hearing from you we will write to this Agent to the Government General about it.

I would very much like to undergo this administration training while you are at Mysore.

in England. He wants that after my training in administration I might go to England for seeing things there and come back after a tour in the Continent. So in all I might stay a year abroad so that it will be a test of trust upon me. He is very much desirous that I should undergo a thorough training in Mysore for about two years. Besides the administrative training, there will be a tutor to teach me laws. As a Mysoore is considered to be the ideal State in India he wants that I should undergo the trainings there. He wants to give me this training so that I may in future help him in conveying on the administration of his State as his Dewan. He wanted to visit to the Agent to the Governor General for our Eastern States to request the Mysore Government through the political department to arrange this training for me. I should think our State Am Correspond directly with your State hence we are [illegible]

My brother wishes that I should be given a thorough training in all the departments so that I can help him with my utmost ability. I hope you will be kind enough to arrange this for me when you are addressed about it. I hear many clerks take their training at Mysore & I hope this will not be denied to me though I am not the native of any State. If you want I can personally go and see you about this at Bangalore if you think this might be any trouble. But I am sure you can arrange this without any difficulty.

Let me Congratulate you again on a be. C.S.E. being Conferred on you & am you have not received my last letter of January.

Training of Kumar Laxmi Narayan Bhanj Deo, a brother of the Ruling Chief of Keonjhar, in the Administrative Departments of Mysore.

The Agent to the Governor-General, Eastern States Agency, has written to say that the Raja of Keonjhar, a Ruling Chief of that Agency, has approached him with the request to help his brother, who is a graduate of the Calcutta University, to obtain practical training in the administrative departments of an advanced and progressive state with a view to his employment in the Keonjhar administration. The Raja has suggested that his brother might be sent to Mysore. It is reported that the Kumar, who is 23 years of age, has had a good school and college career.

I should be very grateful if you would kindly let me know whether His Highness's Government would be prepared to undertake the training of the Kumar.

Will you please refer to the correspondence ending with my confidential demi-official letter No.F.849/1936, dated the 22nd June 1936, to Sir Mirza Ismail.

The Agent to the Governor-General, Eastern States Agency, has written to say that the Raja of Keonjhar has now changed his plans for the training of his brother, Kumar Laxmi Narayan Bhanj Deo, and has decided to send him to England to study law at one of the Inns of Court. He will not therefore come to Mysore for administrative training in October.

I am very sorry that His Highness' Government have been unnecessarily troubled in the matter.

Dear Sir,

I am desired by the Darbar to convey to the Government of Mysore their grateful thanks for the arrangements which had been made for the Raj Kumar's administrative training in your State. Unfortunately the matter had to be dropped owing to the sudden decision to send him to England for pursuing his studies at the bar. The Darbar regret very much any inconvenience caused to the Mysore State in consequence of such decision.

Yours truly,
